

**Northern Pines Church Camp with Faith Church  
September 3-6, 2021  
Labor Day Weekend**

Stay 2 or 3 nights! Head home Sunday after worship or stay through until Labor Day.

There are 8 rooms in the Lodge of various bed sizes and configurations, with 25 lower beds and 13 upper bunks, so will be great for people of ALL ages and abilities.

There will be “campfire” devotion times offered each evening and we’ll worship on Sunday morning in the beautiful camp chapel at the edge of Fish Hook Lake. Other activities will be planned for you to participate in as you like or are able, but there will be lots of free time, too, to choose activities and invite others to take part in, if you like.

The cost per person is \$50/night, with a family max of \$130/night. “Family” is those living at the same primary address—such as parents/caregivers and children. Meals are included, so this is a GREAT deal.

“Camperships” are available, for those who need a little financial assistance--don’t let cost keep you from joining Faith Church at camp this year!

The Lodge and several other cabins and spaces around the camp are accessible for those with disabilities and limited mobility.

There is a golf course across the street from Northern Pines camp, Itasca State Park (the headwaters of the Mississippi River) is just a few miles away, and there are lots of fun areas at camp and in the surrounding communities of Park Rapids or Dorset to explore and spend time in while you enjoy being “away” and growing with Faith!

Contact Pastor Karen or Scott Evenson with questions about camp or Camperships (763) 370-4245.

Registration forms are available in print, or on the church website and social media pages. Please turn these into the church office with your name, number of people you’re bringing or would like to room with, and any special lodging needs (ie need a plug for a Cpap or have a specific mobility issue) along with a \$50 deposit made out to Faith Church (remainder can be paid at the time of camp).
